SUBJECT No. 294.

The civil jurisdiction over the Koppa Taluk and the location of a Munsiff's court or a Revenue Sub-Division office at Yedahalli.

Messrs. Krishnappa and Channakesava Rao, Koppa taluk, and Santappa Setty, Yedahalli sub-taluk.

Summary of discussion.—(*a*) The civil jurisdiction over the Koppa taluk was formerly vested in the defunct Munsiff's Court at Yedahalli. On the abolition of that court it was transferred to Chikmagalur. The parties from Kigga and other places of the Koppa taluk have to travel a considerable distance and are being put to a lot of inconvenience. A Munisiff's court may be established at Yedahalli or Koppa.

(*b*) Since the abolition of the Munsiff's court at Yedahalli, the people of the sub-taluk find it very inconvenient to go a long distance of 50 miles to Shimoga to get their disputes settled. Either a Munsiff's court or a Revenue Sub-Division office may be established at Yedahalli.

Reply of Government.—Will be considered.

23) This representation has practically been considered in another connection and the Member has ordered on 25/5/1914 that the matter may lie over for the present.

The only objection that has been raised against the establishment of a Munsiff's Court is that there will not be sufficient work for either the Jedehalli or Chickamagalur Court. Sufficiency of work may not be the only criterion; the convenience of the people may be considered as a more important principle. Further, the Shimoga Court will get some relief; and if the Munsiffs are invested with some portion of the magisterial work, then they will have sufficient work.

Extract from the address presented by

Mr. H. Krishna Rao & other R. A. Members

of Kadur &c

In connection with this subject, we venture again to see your help in placing at our doors a court of ordinary civil jurisdiction with first class magisterial powers. The toils, worry, and expense incurred by parties in going to and from the courts at Chikmagalur at a distance of 60 miles, are very great, particularly in the monsoon when conveyances are not available and, this evil, we request, should be mitigated as much as possible and at an early date. To this end we would submit that the Munsiff's court with first class magisterial powers be revived at Yedahalli. This step would induce educated men of the malnad taking up legal or other profession and living there. The presence of a large number of educated men in the malnad would be one of the first steps to improve the malnad.

SUBJECT No. 227.

Munsiff's Court at Yedahalli or Koppa.

Messrs. Shantappa Setty, Koppa taluk, and H. Krishna Rao, Kadur District Board.

Summary of discussion.—People are now put to great hardship by their having to go all the way to Chikmagalur for filing civil suits. It is therefore requested that a Munsiff's court be established at Koppa, with jurisdiction over Tirthahalli taluk, which is only 15 miles from Koppa and the Munsiff may be given 2nd class magisterial powers. If this is not possible a Munsiff's court may be established at Yedahalli.

Mr. C. Srinivasa Rao suggested that Munsiffs might be invested with magisterial powers.

Reply of Government.—The proposal to establish a Munsiff's court with second class magistrate's powers (to try Breach of Contract cases) at Yedahalli will be considered.

39) On the recommendation of the Retrenchment Committee for the reduction of expenditure in the Judicial Department, Government, in their order No. J. 1400-1406 / Cts.103-06-3 dated 27th November 1906, sanctioned the abolition of the Munsiff's Court at Yedehalli with effect from 1st July 1907. The taluks of Koppa and Tarikere were assigned to the jurisdiction of the Munsiff of Chickmagalur and the Sub Taluk of Yedehalli to that of the Munsiff of Shimoga.

Hag L

40) 2. Ever since the abolition of this Court, there have been persistent representations, both in writing and through the Representative Assembly, for the revival of the Munsiff's Court. In July 1912, the jurisdiction over the Tarikere taluk was withdrawn from the Munsiff of Chickmagalur and vested in the Subordinate Judge of Shimoga. The grievance of the people of the Koppa taluk however remains unredressed.

Hag K

41) 3. The Deputy Commissioner of Kadur (Mr. K.P. Srinivasa Iyengar), the District Judge of Shimoga (Mr. Hamza Hussain) and the Chief Court have all been in favour of affording relief to the people of Koppa though there is some divergence of opinion as to details.

Hag J HJ

42) 4. The matter was considered in Council on the 4th January 1915. The Council are of opinion that a Munsiff's Court at or near the neighbourhood of Yedehalli may be re-established with effect from 1st July 1915, that the Munsiff may be invested with Magisterial powers and that the necessary funds may be provided

(43) 5. Portions of the Koppa taluk are more than 50 miles from Chickmagalur where the Court is located and during the monsoon months especially, the litigants have great difficulty in reaching it . I therefore solicit His Highness's sanction to the recommendation of the Council.

They are not in favour of the proposal to place the Subordinate Judge of Shimoga in charge of the District Treasury in addition to his judicial work.

61) Since the file of the Shimoga Munsiff will remain almost unaffected in spite of the formation of a new court it may be found necessary to give him some relief to enable him to do criminal work in addition to civil work. The Judges would suggest to Government the desirability of transferring the original civil jurisdiction of the Shimoga Munsiff over the town and taluk of Shimoga to the Subordinate Judge whose file will be considerably reduced by the transfer of the Tarikere Taluk

79) I regret very much the mistake in the notification issued in connection with the establishment of the Narasimharajapuram Municipal Council. The jurisdiction of the Shimoga Municipal Council over Tarikere Taluq has been altered in a previous notification which I lost sight of. Hence para 3 is not accurate.

80) Further, if the notifications vesting the jurisdiction in Chikkamagalur Municipal Council and the Sub Court are not repealed, possibly there may be a doubt that then Court and the new Court will have concurrent jurisdiction. I have accordingly put up a new and revised Notifications for approval or other orders.

~~No mistake was due to~~

81) I have passed one of the drafts after alteration. I think it will be found to be all right.

82) For Small Cause jurisdiction, another Notification may be issued. As this has to appear only in the Gazette of Thursday next, please send it to the Chief Judge for approval before issue.

Dear Mr Ranjitsinhji

So far as I can

see your new notification

is all right. It may

be perhaps that we should

have the words "and

that jurisdiction" for the

word 'which' in the last

paragraph: 'which' I suppose

in strictness, exclusive
'Taluq of Shimoga' —
But this may seem
hypercritical, and
Yours is clear enough.

I return the file, asking
that you prepare & send
a separate extract dealing
with Small Cause jurisdiction

Yours sincerely

Most respected Sir,

The resident population of Koppa Taluq, Sringeri and Yedakalli Taluqs most respectfully beg to submit the following facts for your honour's generous consideration with the earnest hope that they will receive your kind support.

1. That, in the interest and welfare of the people residing in these malnad parts, the benign Government of His Highness the Maharaja of Mysore had established a Munsiff's Court at Yedakalli investing the Munsiff with magisterial powers.

2. That, solely with a view to effect savings to Government, this Court was abolished from the 1st July 1907, without considering the hardship to which the people of these distant malnad tracts would be subjected.

3. That, consequent on the abolition of this Court
(1) the lending and borrowing of money

have almost stopped.

(2) major portion of the money lent previous to the abolition of the said Court could not be recovered on account of the heavy travelling expenses, the money lenders had to incur in going all the way to Chick magalore.

(3) money urgently required for the improvement of the lands and home hold expenses of the cultivating ryot can not be procured.

(4) there is no inducement for educated men to reside in these parts and the younger generation have no opportunity to come in contact with the educated. On the abolition of this Court, even the local educated men and lawyers at Yedakalli went away to Chickmagalore, Shimoga, Bangalore and other places.

(5) it is very expensive for the people of these taluks to go to Chick magalore for litigation

(6) as there is no Court to administer justice near at hand, it is difficult for poor people to continue to reside in these parts without danger to life and property.

(7) as the poor wronged people cannot afford to go to distant Courts to get their wrongs redressed, the wicked and turbulent people are left free and go unpunished for the offences committed by them.

(4) In conclusion, the petitioners most respectfully beg that you may be graciously pleased to consider the facts represented above, reestablish the Court at Yedahalli and help the Malnad people from ruin and check the further depopulation of these tracts.

With the earnest hope that the matter will receive kind and favourable consideration at your generous hands at a very early date, the petitioners ever pray for your long life and prosperity.

We beg to remain,
Most respected Sir,
Your most obedient and
humble Servants

This is a fit subject to go before the commission appointed to improve malnad. Mr Ananda Rao, Sirsi B.A. L.L.B who knows malnad points well, having been a munsiff at Yadahally favours the re-opening of this court. Malnad has to be popularised any how as it is now included in the range of "prohibitive distance" Litigation is becoming costlier.

Respected sir,

4539-13-4

We, the residents of Koppa and Yadehally Sub Taluk, cannot be-sufficiently thankful to you, when we came to know through our Representatives, that among many important subjects discussed in the recent--- Dasara Representative Assembly, the two long pending questions put forth for consideration, viz: the restoration of Minor Tanks, and the revival of the Munsiff's Court at Yadehally, were finally decided.

In connection with the latter we pray the Government to be pleased to issue early order for the location of the Court at Yadehally and--- thereby avoid heavy expenses which the parties are likely to incur by going to and coming from Chickmanglur.

For which act of kindness we shall be ever thankful.

We beg to remain,

Sir,

Your most obedient and humble servants,

Residents of Koppa Taluk,

Residents of Yadehally Sub Taluk.
